Revised Covid-19 Mandate

May 26, 2021

Travel

The State of Alaska does **NOT REQUIRE** COVID-19 testing for travelers to enter the State of Alaska.

Since testing of non-vaccinated travelers is the best means for limiting the spread of COVID-19 virus and variants, it is recommended that non-vaccinated travelers test prior to travel or take advantage of the **FREE** vaccine and **OPTIONAL** COVID-19 testing at primary ports of entry in Alaska.

YKHC will no longer have COVID-19 testing available at the Bethel, Alaska Airlines terminal beginning June 1, 2021. We, the Native Village of Mekoryuk Tribe still urge people arriving to Mekoryuk to get a Binex test at the Mekoryuk Clinic.

Travel authorizations will no longer be required before traveling to Mekoryuk. However, the Tribal Police will still monitor and take temperatures at the Mekoryuk airport.

Fully Vaccinated Individuals – No quarantine, mask in public buildings for 7 days

½ Vaccinated Individuals – Mask in public, Social Distance, Binex test 7-day

Non-vaccinated Individuals – 7 day quarantine, Binex test 7-day, mask and social distance for additional 7 days, retest on the 14-day

Mask Mandate for General Public

On May 16, 2021 CDC updated that individuals fully vaccinated can resume activities that you did prior to the pandemic.

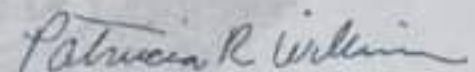

As of May 26, 2021 Mekoryuk's eligible population percentage is 72.9%.

Masks will **NO LONGER** be required in public buildings or gatherings in Mekoryuk.

However, please remember to wash your hands upon returning home and have a great summer!
